IMPLEMENTING YOUR PLAN – WE CAN HELP!

5280 Associates offers a number of options to you depending on your situation. When you have money managed with us you pay a fee. That fee is for advice provided around your investment strategy, such as tax efficient trading and risk tolerance. It also covers account monitoring and rebalancing. You will not be charged any additional commissions or trading fees.

The financial planning service is an investment advisory service and is designed for you and a Thrivent Financial professional to periodically review your personal financial position holistically and to plan strategies tailored to help you reach your financial goals. Significant changes to your financial situation or objectives may necessitate changes to charges and fees. Please review the Thrivent Financial Planning Service ADV Disclosure Brochure, Service Agreement, and/or the Thrivent Managed Accounts Disclosure Brochure, and/or Thrivent product brochures for a full description of services offered, including fees, commissions, and expenses

Thrivent Financial Planning Service, solution-based service, and managed account investment services are three distinct services available to investors. Your financial planning fee will vary based on your personal financial situation, your Thrivent Financial representative's practice fee schedule, and other factors including:

- The scope of the service you will receive.
- The complexity of your financial situation and related analysis.
- Your financial professional's and team's time involved working on your financial situation.
- The experience level and credentials of your financial professional.
